About Us

FB4I classes are the best coaching institute for the extensive preparation of JEE (mains +advance) and foundation learnings from class 6th to 12th. Our name is well known for delivering high-quality education and giving the best results for years.

We understand the value of time of our students and thereby provide them with an excellent platform for the preparation of competitive and board exams. With our offline classes, students learn under the direct mentorship of subject gurus who have helped thousands of students land their dream colleges and universities.

Why Choose Us?

Hybrid Class : Replacing a segment of traditional face to face instruction with e-learning.

Doubt Solving Session : One stop solution, for all your queries and hesitation.

Proficient Faculty : Start your glorious career under guidance of the most experienced faculty.

Mock Test : Exam to practice & revise key concepts before the actual exam.

Best Study Material : High-quality study and exam preparation material.

Simulation Classes : personality, confidence-building, mentorship sessions

VISION

Our vision is to provide high quality education to students and make them the best of what they are by achieving excellence in education by setting high standards and well-planned holistic preparation.

MISSION

Our mission is to provide proper guidance to students by inculcating confidence to bring out the best result in the form of academic output and making them successful not only in the exams but in their life.
